AMENDED NEBRASKA INDIVIDUAL INCOME TAX RETURN

for Tax Years 1988, 1989, and 1990

This Form 1040XN-2 is to be used only when returns for tax years 1988, 1989, or 1990 are amended. Returns for years prior to 1988 or after 1990 cannot be amended using this form. The proper Form 1040XN may be obtained from the taxpayer assistance offices listed on page 4.

INSTRUCTIONS

AN AMENDED NEBRASKA INDIVIDUAL INCOME TAX RETURN, Form 1040XN-2, is filed whenever the taxpayer's federal tax return is amended or corrected, or whenever the information on a Nebraska return previously filed is not correct. If a resident taxpayer claimed credit for tax paid to another state and the other state's return is amended or corrected, an amended Nebraska return must also be filed. Form 1040XN-2 may only be filed after the Nebraska Individual Income Tax Return, Form 1040N.

The amended return is due 90 days after filing an amended federal return or after an Internal Revenue Service correction becomes final. A correction is final, even though the taxpayer and the IRS are still contesting the amount due, whenever one of the following has occurred:

1. The tax has been paid by the taxpayer.
2. The examining officer's findings have been accepted by the taxpayer.
3. A closing agreement has been approved by the IRS.
4. A decision of a court has become final.

Attach copies of the federal claim for refund, the audit determination of the IRS, or the amended federal return to the amended Nebraska return. If you are filing for a refund more than three years after the filing of the original return or for a refund due to a net operating loss carryback more than three years after the due date of the loss year's return, **attach dated proof of federal acceptance of your federal refund** or copies of federal or Nebraska waivers of the statute of limitations to each amended return affected.

An amended return based on the filing of a federal protective claim with the IRS does not require the filing of an amended Nebraska return as a protective claim. The payment by the IRS of a refund on a protective claim is a federal change that must be reported within 90 days of such refund.

An oral hearing may be requested when filing for a refund on Form 1040XN-2 by writing the request on the Explanation of Changes, Form 1040XN-2.

NEBRASKA NET OPERATING LOSS. If you are carrying back a Nebraska net operating loss, you must attach the appropriate Nebraska Net Operating Loss Worksheet, Form NOL. Enter the federal adjusted gross income which you originally reported on line 5, column A; and report only the Nebraska NOL which you computed on Form NOL, line 5, column B.

TAXPAYER ASSISTANCE is available at the Nebraska Department of Revenue offices located in Grand Island, Lincoln, Norfolk, North Platte, Omaha, and Scottsbluff.

The addresses and phone numbers are shown on page 4 of these instructions. Hours are 8 a.m. to 5 p.m., Monday through Friday, and at such other times and places as may be announced. Persons within Nebraska may also call for taxpayer assistance toll free by dialing 1-800-742-7474. If you are located outside Nebraska, you must call 402-471-5729.

Confidential tax information will be given only by return telephone call after the caller's identity has been established. A representative of a taxpayer requesting confidential tax information must have a power of attorney on file with the department before any information will be released. An income tax return signed by the

preparer is considered a limited power of attorney authorizing the department to release only the information contained on that return to the preparer.

SPECIFIC INSTRUCTIONS

COUNTY OF RESIDENCE is the place where you maintained your home in the year being amended. If you are a nonresident of Nebraska, enter "nonresident."

PUBLIC SCHOOL DISTRICT DATA. All residents and partial-year residents who reside in Nebraska on December 31 of the year being amended **must complete** the school district data. A complete list of the school identification numbers to be used is contained in the most recent Nebraska Individual Income Tax Booklet.

Nonresidents or partial-year residents who did not reside in Nebraska on December 31 of the year being amended do not complete the public school district data.

LINE 1. A change in the filing status can only be made when the federal filing status has been changed. An exception is made when a joint federal return was filed and the Nebraska residency of the spouse is different.

The residencies are different when, during all or some part of the year, one spouse is a resident and the other spouse is a nonresident at the same time. The couple with different residencies may file original returns with Nebraska on either a joint return or a separate return basis.

The couple who have filed separate Nebraska returns may elect, either before or after the original return is due, to file a joint return with Nebraska. They are then taxed as though both were residents during the time either was a resident.

The couple with different residencies who filed a joint Nebraska return and wish to change to separate returns must follow the steps provided in Revenue Ruling 22-81-2.

LINE 2. Check the appropriate boxes if you or your spouse were 65 or over, blind, or could be claimed as a dependent on another's return.

LINE 3, TYPE OF RETURN BEING FILED. Residency is determined in accordance with the Form 1040N instructions. Military service members can refer to Information Guide 22M-90.

LINE 5. Enter adjusted gross income from your federal return.

LINES 9 THROUGH 11. Only taxpayers who itemized should complete these lines. Nebraska itemized deductions (line 11), is calculated by subtracting line 10 from line 9 (the result should not be less than 0). If the result on line 11 is less than the amount of the federal standard deduction to which you were entitled, return to line 8, and enter on line 8 the federal standard deduction to which you

would have been entitled, based on your federal filing status. Enter the line 8 amount on line 12.

LINE 12. Enter line 8 amount or, if you itemized on your Federal Form 1040, and line 11 is greater than line 8, enter line 11.

LINE 31, OVERPAYMENTS ALLOWED. Enter on line 31 the amount of overpayment allowed on your original return, previous amended returns, or as later corrected by the Nebraska Department of Revenue. This includes both amounts refunded and amounts applied to the succeeding year's estimated tax. Do not include interest received on any refund.

LINE 33, TAX DUE. If line 19, column C, is more than line 32 enter the tax due on this line.

LINE 34, PENALTY. If your original return was not filed by the due date, or during the period of an extension, and line 33 indicates a tax due, it is necessary to calculate a penalty for failure to timely file. Multiply the line 33 amount by five percent per month or fraction of a month, not more than a total of 25 percent, from the due date as extended until the original return was filed. Enter the result on line

34.

If this amended return is being filed because of a change made by the IRS and the IRS assessed a penalty, multiply the line 33 amount by the same percentage used by the IRS. Enter the result on line 34. If both the penalty for failure to timely file and the penalty because of an IRS assessment are calculated, enter the larger amount on line 34.

Additional penalties may be imposed for:

1. Failure to pay tax when due,
2. Failure to file an amended return when required,
3. Preparing or filing a fraudulent income tax return,
4. Understatement of income on an income tax return, or
5. Underpayment of estimated tax.

LINE 35, INTEREST. If line 33 indicates that tax is due, interest is due at the rate of 14 percent per year from the original due date to the date the tax is paid. The interest due should be computed by completing the following steps. Enter the result on line 35.

1. Multiply the tax due by .14,
2. Divide the result by 365 to calculate the interest due for **each** day the tax was delinquent,
3. Determine the number of days from the due date of the original return to the date Form 1040XN-2 is filed and the tax paid, and
4. Multiply the number of days by the interest per day as calculated in step number 2.

If you are due interest on the refund, it will be calculated by the department and added to the amount shown on line 37.

LINE 36, TOTAL BALANCE DUE. Enter the total of lines 33 through 35. Attach check or money order payable to the Nebraska Department of Revenue, and all required schedules to your amended return and mail to the Nebraska Department of Revenue, P.O. Box 94818, Lincoln, Nebraska 68509-4818.

LINE 37, REFUND. Enter the overpayment amount. This will be refunded separately from an amount claimed as an overpayment on your original return. An amount less than \$2.00 will not be refunded. None of the overpayment will be applied to estimated tax for any year.

If a taxpayer has an existing tax liability of any kind with the department, an overpayment shown on this return may be applied to such liability. The department will notify the taxpayer if the overpayment has been applied against another tax liability.

SIGNATURES. Both husband and wife are to sign their joint return. If another person signs this return for the taxpayer, a copy of a power of attorney or court order authorizing the person to sign the return must be on file with this department or attached to this return.

Any person who is paid for preparing a taxpayer's return must also sign the return as preparer.

EXPLANATION OF CHANGES

Print or type your explanation of changes on Form 1040XN-2. Or attach a schedule for each change reported on this return or entered in column B, lines 5 through 27 and 38 through 57. Attach a copy of each federal form used in reporting the change. If you are filing an amended return due to a change in Nebraska credits claimed, attach

the applicable schedule, form, or other state's return or audit determination.

INSTRUCTIONS FOR NEBRASKA SCHEDULE I Nebraska Adjustments to Income for Nebraska Residents, Nonresidents, and Partial-Year Residents

LINE 38, TOTAL ADJUSTMENTS INCREASING INCOME.

Interest from non-Nebraska state and local municipal obligations is taxable income for the state.

An S corporation's loss distribution from non-Nebraska sources increases income and is reported on line 38.

LINES 39 THROUGH 43, TOTAL ADJUSTMENTS DECREASING FEDERAL ADJUSTED GROSS INCOME.

Adjustments decreasing Nebraska taxable income, such as state income tax refund, interest or dividend income from U.S. government bonds, other U.S. obligations, or Tier I or Tier II benefits paid by the Railroad Retirement Board, can be deducted from income for Nebraska income tax purposes.

List the source of any adjustments on an attached schedule. A list of qualifying U.S. government obligations is included in Revenue Ruling 22-87-2. Interest income derived from the following sources is subject to Nebraska income tax and cannot be included in the amount on line 40:

1. Savings and loan associations or credit unions.
2. Mortgage participation certificates issued by the Federal National Mortgage Association.
3. Washington Metropolitan Area Transit Authority.
4. Interest on federal income tax refunds.
5. Gains on the sale of tax-exempt municipal bonds and U.S. government obligations.
6. Income from repurchase agreements involving U.S. government obligations.

If the interest or dividend income from U.S. government obligations is derived from a partnership, fiduciary, or S corporation, the partner, beneficiary, or shareholder claiming the Nebraska adjustment decreasing federal taxable income must attach the applicable Federal Sch. K-1.

Special capital gains deduction. If you are correcting the amount of special capital gains deduction, copies of the original and corrected Special Capital Gains Deduction Computation, Form 4797N, and Federal Schedule D must be attached.

Native American Indians residing on a Nebraska reservation with income derived from sources within the boundaries of the reservation may deduct such income on line 43 as this is an allowable adjustment decreasing federal taxable income.

Military personnel cannot deduct military pay as this is not an allowable adjustment decreasing federal taxable income.

Residents are not allowed to deduct income earned or derived outside Nebraska. However, a resident may be entitled to a credit for income tax paid to another state. See the instructions for Credit for Tax Paid to Another State, Nebraska Schedule II.

LINE 43. Enter other adjustments decreasing income. An S corporation's income distribution from non-Nebraska sources decreases income and should be reported on line 43.

LINE 44. Total adjustments decreasing taxable income are the sum of lines 39 through 43.

INSTRUCTIONS FOR NEBRASKA SCHEDULE II Credit for Tax Paid to Another State

for Full-Year Residents Only

A credit for tax paid to another state is allowed only for full-year residents. A change on line 19, total Nebraska tax, requires Credit for Tax Paid to Another State, Schedule II, to be recalculated. If the amended Schedule II on the back of Form 1040XN-2 is not completed, adequate supporting schedules must be attached.

If the other state's return is amended or changed by the other state, Form 1040XN-2 is to be filed to report the change in the credit for tax paid to the other state. Attach a complete copy of the return including schedules and attachments or a copy of a letter or statement from the other state or subdivision indicating the amount of income reported and corrected tax paid. If the subdivision does not require that an income tax return be filed, attach a copy of the statement from the employer showing the corrected amount of tax withheld. Failure to attach supporting documents may cause the credit to be disallowed.

Refer to the instructions on Schedule II of the Form 1040N for the taxable year you are amending for more details on the calculation and limitations of this credit.

LINE 46, ADJUSTED GROSS INCOME FROM ANOTHER STATE. If lines 46 or 48 are changed, a complete copy of the return filed with another state must be attached. If the entire return is not attached, credit for tax paid to another state will not be allowed.

INSTRUCTIONS FOR NEBRASKA SCHEDULE III Computation of Nebraska Tax

NONRESIDENTS AND PARTIAL-YEAR RESIDENTS. If you have income derived from Nebraska sources and you have Nebraska adjustments to income, you must complete lines 38 through 44. Use your copy of your original return and instructions to make the necessary tax computations. Enter the amounts from lines 38 and 44 on lines 14 and 15 respectively, Form 1040XN-2.

LINE 51. For tax year 1988, use the Nebraska tax table contained in the 1988 1040N booklet to determine the Nebraska income tax on line 50, Nebraska tax table income. Enter zero (0) in the credit space, and enter the tax on line 51.

For tax years 1989 and 1990, partial-year residents should enter the Nebraska tax amount from the Nebraska Tax Table, based on line 50 income, less their Nebraska credit for the elderly or disabled and credit for child and dependent care expenses. See instructions for lines 24 and 27 for specific information.

Nonresidents enter the Nebraska tax on line 50 income amount from the Nebraska Tax Table. Nonresidents are not allowed a Nebraska credit for the elderly or disabled or a credit for child and dependent care expenses; therefore, nonresidents should enter zero (0) in the credit space.

LINE 52. To calculate the Nebraska minimum or other tax, see the worksheet provided in the line 18, Form 1040XN-2, instructions.

LINE 53. Income derived from Nebraska sources includes income from wages, interest, dividends, business, farming, partnerships, S corporations, estates and trusts, gain or loss, rents and royalties, and personal services provided in Nebraska by nonresidents.

LINES 56 AND 57. Add line 5 and line 38, then subtract line 44. Divide line 55 by that amount. Then multiply the result by line 51 or line 52, as appropriate.
